

ing to each one's former interest.

Sec. 3. If the owner at the date of forfeiture shall not exercise his right to repurchase, the Commissioner shall place the land on the market for sale in the manner that is now or may hereafter be provided by law for the sale of other forfeited public free school lands. One-sixteenth of the oil and gas, and all of other minerals in the lands included herein, whether known or unknown, are expressly reserved to the public free school fund in the event the forfeited sale was with mineral reservation. Forfeited land, on which the owner requests a revaluation as herein provided, shall not be subject to oil and gas application until such forfeiting owner fails to repurchase as herein provided.

Sec. 4. Whenever any land affected by this act is repurchased under the rights of repurchase given herein, any lien, legal or equitable, in behalf of any person or the State, and any valid contractual right in favor of any person or persons existing in and to said land, or any part thereof, at the time of forfeiture, shall remain unimpaired and in full force and effect as if no such forfeiture had occurred; also all forfeitures without advertisement of the land for which land the owner or owners of part thereof requested a revaluation within the time prescribed herein and for which applications to repurchase were filed in the General Land Office in legal form after expiration of the time required by such law and on which the first one-fortieth cash payment was made, such forfeitures and applications and the sale and award thereon are hereby authorized and in all things validated and shall not be questioned by the State or any person whose rights did not accrue prior to the taking effect of this act.

Sec. 5. The fact that several consecutive years' drought in that portion of the State in which most of the public lands are located caused the original enactment of this law and the fact that the validity of forfeitures without first advertising the land as being subject to forfeiture and naming the date of forfeiture and sale as provided in Chapter 130 of an act approved March 28, 1925, has been questioned and the fact that this original Chapter 94 could not have been executed without great expense to the State, except in the

manner it has been administered by the General Land Office, which has attained the purpose of the Legislature in its enactment, and the importance of placing land titles beyond question, creates an emergency and an imperative public necessity exists that the constitutional rule requiring bills to be read on three separate days in each house be suspended and that this be placed upon third reading and final passage, and take effect from and after its passage, and it is so enacted.

Senate Concurrent Resolution No. 2.

The Chair laid before the Senate on the calendar the following resolution:

Whereas, Under the Constitution of the State of Texas, it is the duty of the Legislature to provide revenues, and to make appropriations therefrom, for the economical administration of the Government; and,

Whereas, Under Section 49, of Article 3, it is further provided, that: "No debt shall be created by or on behalf of the State, except to supply casual deficiencies of revenue * * * and the debt created to supply deficiencies in the revenue, shall never exceed in the aggregate at any one time two hundred thousand dollars"; and,

Whereas, By practice and precedent, and through a construction which is not in keeping with the clear intent and plain meaning of this provision of the Constitution, the Executive Department of this State for a number of years, has been creating debts to supply deficiencies in the revenue in the sum of one million dollars and more; now, therefore,

Be It Resolved, That the Senate of Texas, the House of Representatives concurring, doubt the constitutionality and question the wisdom of this

practice on the part of the Executive Department of our State Government in assuming powers which the Constitution places with the Legislative Department. To extend the power of the Executive Department of the Government, so that debts may be created to exceed in the aggregate at any one time the sum of two hundred thousand dollars, running up into the millions of dollars is to cast an undue and improper burden upon the Legislative department of raising revenues to pay debts which it did not create. When it becomes apparent to the Governor of this State that the revenues provided by the Legislature and the appropriations made therefrom are insufficient to meet the just and proper demands of an economical administration of the Government, "and the debt created to supply deficiencies in the revenue" exceeds "in the aggregate at any one time two hundred thousand dollars," it is the duty of the Governor to convene the Legislature in Special Session to consider and determine what additional revenues shall be raised and the nature and amount of appropriations to be made therefrom for the economical administration of the Government.

The resolution was read and adopted.

"Dear Governor: You will recall a few minutes ago I conferred with

you concerning an emergency appropriation at this Special Session, so as to enable the Land Office to advertise the list of lands for sale either in January or May, according to when we can get the list ready so as to place the lands on a revenue bearing basis at the earliest practical date. After conferring with the Board of Control as to the cost of listing, it is estimated about \$2000.00 will be necessary; I have also conferred with the Appropriation Committee of the House, and as they are hurrying their work, I would be glad to have you submit a special message requesting this legislation if it is consistent with your idea of a proper administration for public affairs. Having conferred with the committee, I think it would like to have the matter submitted, if submitted at all, as soon as your convenience will permit, so that they might amend a bill that they now have by including this, rather than to incur the expense of an independent bill.

"Yours truly,
(Signed) "J. T. ROBISON,

Communication From Hon. John
Cage.

Senator Ward send up the following communication:

September 27, 1926.

Hon. Barry Miller, President of the
State Senate.

Dear Sir: Recently I requested that I be granted the privilege to appear before your Honorable Body and be heard on the question of deferring action on my confirmation as Highway Commissioner. This request being denied, later I asked to be heard before the Senate in session on resolution to reconsider. I understand the motion to reconsider was voted down and a resolution was

suance of bonds not to exceed one-fourth of the assessed valuation of the real property within the district, for the construction, maintenance and operation of macadamized, graveled or paved roads or turnpikes, and the levying and collection of taxes to pay interest upon such bonds, and to provide a sinking fund for their redemption; providing for the calling of an election to determine whether or not bonds of such district shall be issued for the purpose of construction, maintaining and operating macadamized, graveled or paved roads or turnpikes, or in aid thereof; providing for the order of the commissioners' court of Haskell County, Texas, and the time and place and manner of holding such election; providing for the issuance of such bonds, prescribing the maturity and rate of interest of such bonds; providing that the General Laws of the State of Texas, and Chapter 3 of Title 22 of the Revised Statutes of Texas, 1925, not in conflict with the provisions of this Act, shall apply to the issuance, approval, certification, registration, sale and payment of the bonds provided for in this Act; providing for the levy and collection of a tax sufficient to pay the interest and provide a sinking fund to pay said bonds at maturity and prescribing how such bonds shall be designated, and declaring an emergency."

The bill was read first time and referred to Committee on Education.

Simple Resolution No. 19.

Senator Real received unanimous consent to send up the following simple resolution:

Whereas, The Hon. Harvey H. Haines, the candidate for Governor of Texas and the nominee of the Republican party is to speak in the city of Austin Tuesday night at 8 o'clock in the interest of his candidacy; and

Whereas, There is no suitable hall available in Austin where such meeting may be held; and

Whereas, The Senate of Texas believes that all public questions should be freely and publicly discussed without regard to the political affiliations of any reputable candidate for the high office of Governor:

It is hereby resolved, that the Senate Chamber be tendered Mr.

passed granting me the privilege of the use of the Senate Chamber on Monday evening to address the members of the Senate. This I must respectfully decline as I am of the opinion it would serve no good purpose. I do not wish to enter into an idle discussion of the subject, but, on the other hand, I wish to express to you what I think is for the best interest of the State, and in a friendly manner, and make this my third appeal to be heard before your body in session on the question to reconsider.

Your consideration of this request will be highly appreciated and I assure you of my earnest and sincere desire to co-operate with the Senate to the good of the Highway Department and the State of Texas in general.

Yours very truly,
JOHN M. CAGE, Member,
State Highway Commission.
